

# Foundations Classes

Rolling Start Dates  
at Ruff House in Edina!

Two Options: Tuesdays at 7:00 PM or Wednesdays at 9:30 AM

- for dogs with little or no previous formal training
- geared to enhance understanding and communication with your dog

You will gain confidence in your leash handling skills, and your ability to set rules and work with your dog. We discuss solutions for jumping, nipping/biting and recovering stolen property (shoes, socks, remotes, etc.). Your dog will learn basic cues like sit, down, relax, stay and leave it. Each week is different so your dog learns to focus and relax around other dogs. (This class is a prerequisite for Level I.)

**Six weeks for \$125**, includes full bag of Solid Gold Treats for training (\$13 value). Start anytime. Curriculum is six consecutive weeks. *Ask about our foster dog discount*
